

Request for Genealogical Information from the Green Mount Cemetery

The first step in obtaining genealogical information from the Green Mount Cemetery is to confirm the interment of the individuals for whom you are searching. Green Mount will search for two individuals free of charge. Additional searches will be charged \$2.00 for each name. Payments can be made with a personal check or money order. The Cemetery will not return long distance phone calls.

Once it has been confirmed that the individuals are buried at Green Mount, you can request a copy of the Lot Card and or Interment Card. The Lot Card contains a list of people buried in the Lot and the dates of their interments. Individual Interment Cards *may* contain Dates of Birth and Death, Names of Parents, Residence, and the Funeral Home that handled the funeral arrangements. No guarantee can be made concerning the content of the Interment Card.

Copies of Cards are \$5.00 each. Please include a self addressed stamped envelope for requests that will be responded to through regular mail service. Requests will be completed and returned to you at our earliest convenience.

Please fill in any information you can (including first, middle, last names, nicknames, and/or alternative spellings)

Digital Photography:

Digital photographs can be taken of family lots, monuments, or individual headstones for a \$5.00 charge for each image. Please specify exactly what you would like us to photograph. Not all headstones are legible and it may be possible that no headstones exist. Refunds cannot be given when this is the case. Pictures will be forwarded to you by email.
